“ Truman always had a smile and kind word for those he met. He loved and supported Nancy in all she did especially as she served at national WMU. Larry and I are remembering all of you during this time. May you feel God's presence in a special way today and in the weeks ahead. Wanda and Larry

“ I had the privilege & honor to spend a lot of my youth at the Duckett's house in Center Point. I also worked for Mr. Duckett. He was one of the hardest working men I know & he loved his family greatly! He always treated me like a son!
I will miss him greatly, but know he's in a better place. What a great man! I love the Duckett family!
Praying for the family.
