“ *I am so sorry for your loss. I became friends with Barbara and K. David back in the seventies, and then worked with Barbara later at Wal-Mart. Although it has been several years since she worked at Wal-Mart, I always expect to see her in the Garden Center when I go in. I truly am going to miss this little lady. My prayers for the whole family.*

“ *Ma was one of a kind, and I loved and respected her very much. I will miss her sense of humor, her spunk and our snail mail correspondence. I will cherish the memories spent with Ma for the rest of my life, and holding on to those memories shall help me to cope with missing her.*
