“ *Uncle Jeff and Family*

We love Aunt Faye and have fond memories of her and our times together.

We have been praying for you all. We cannot imagine your feeling of lost.

But for all that love and know Jesus it is not the end.

We can have some peace in knowing we will meet again on the other side.

I never had the privilege of growing up with her in my life. But the 2 reunions I got to go to enabled me to get to meet her and spend time with her and the family. It has always been such a blessing to be around them . Their love for each other and for God are overwhelming. ... God bless this family and keep them in your loving arms love to you all Donna Davis
