“ I will miss you Squirt, even though I haven't seen you for many years. I don't know what to say...I am still upset over this. I just started to learn how to facebook (you know me...a bit behind lol) so I could find you and hopefully to get together. I came across several of the kids I remembered and Michelle had told me, and then I learned this had happened. I know your with your mom, My Sissy and Nanny...I wish ... well now all I can do is wish, because you've been taken away from me. I love you to the moon and back, for eternity and beyond, Squirt. Forever, Aunt Pam

“ I am so speechless right now. I can not believe you are gone and no one in this family has contacted us to let us know what was going on. I am so heart broken. I miss you tremendously and love you with all my heart. I wish I could of came down to visit you and now I will regret not making that trip. I will cherish all the memories you and I have, My mom your (aunt Pam) is crushed , her and I have been trying to get in touch with you for weeks now, only to find out that you have passed. I wish I new what happened to you. I love you Cousin, I pray you are resting peacefully in Heaven. One day I will see you again.
