“ *Bill, You will be missed very much!!! I have so many fond memories, One is that you always asked me if I had permission from Doug to call Mary (It was our little joke!!), you always made sure that Mary would have the Money to go on all the fun trips we went on to see Conway, Clay Walker, etc. You always would end up in Vegas when we were there, making a surprise trip that way in the Truck. You and Mary had such a Sweet and Loving relationship... You Both always put each other First. You will be missed!!! I love You and I know you will watch over all of us that are left behind... You are our Heavenly Angel now... See you one Day... Keep on Trucking!!*

“ *Uncle Billy was the best. Always making everyone laugh. He would call and say he drove through sucky Florida or sucky Oklahoma, etc. And politics don't even get him started. He and Mom laughed and laughed. He would say how onry she was only for her to say something back along those same lines. Also about the cow he brought to their house years ago, I mean years ago and layed it on the table. They cut it up right there. This was way back in the day.
Love you Uncle Billy!!*

“ *My forever memory of my sweet neighbor will always be looking across the road and seeing him sitting in his favorite chair on the front porch, soon as he seen me look his way there was a Big smile and a wave. Mr. Bill we will miss you daily. And I am looking forward to meeting you in Gloryland one day.*

“ *I remember meeting Jenny's dad and thinking, "now that's a man." My Dad was a small man. So Mr. Bruce was big and had a deep voice that I loved. I didn't know him well cause he was always on the road taking care of his family. I would come over and Jenny would say "shhh, Dad's asleep. Please don't wake him."...good times in the the Bruce home. Mrs Bruce and Jenny my thoughts and prayers are with you. xo Mandi G*

“ Uncle Billy's sister, Doris, brother, Edward, and sister-in-law, Mary went to visit him last week but I didn't go. I told my Aunt Polly (Doris) that I wanted to remember Uncle Billy sitting in my mom's (Myra/Snookie) kitchen arguing with me about politics and/or schools. He was very opinionated and almost talk you into believing anything. I will miss you Uncle Billy. You were one of a kind....a good kind!
