“ *Sorry for the loss of your loved one. He was a wonderful man in the community. Very good neighbor and friend of mine. I know her will be missed. Have you all in our prayers. This I know tho: "GOD WILL COMFORT YOU---IF YOU LET HIM". Jerry Walls neighbor on Section Line Road.*

“ *Mr. Billy, his wife and children(Benny, Debbie, & Tammy) always treated me like part of their family. Whenever I was up there blood testing his chickens for the Department of Agriculture which usually took most of the day, Mr. Billy always insisted that I go home with him to eat lunch. Whatever we had whether it was chicken, steak or just tomato sandwiches, it just tasted better because I was among family. Later on I got to know Will well while he was a broiler service tech for Wayne Farms. I was truly blessed to get to witness such love and dedication to our poultry industry especially Mr. Billy getting to live his dream of being a primary breeder. I also witnessed the love and support the Sims family showed for each other and how they truly loved working together in the chicken houses, the hatchery or even with the cattle. What a remarkable family and I was truly blessed to get to be a small part of this amazing story. God Bless each and everyone of you.*
