“ *Brandon Hall was too special for this world in so many ways. He always took up for the underdog in life, and he made everyone he encountered feel like the most special person in the world. God needed him home, and we all just hurt, and have an empty space from where his worldly presence resided... We will see Brandon again - and as we continue on life's journey, live as Brandon lived : in the love he had for every person on this Earth. May his parents and brother and niece (my daughter) know that we will help each other pull through life's journey and although that empty spot remains- we can do countless acts of love and kindness in honor of the coolest guy (brother in my heart) that I have ever met! I love and pray deeply for you grieving right now as you read this, know that you have someone you can vent to and pray with. God is with our Brandon as he rests in peace!*

“ *Brandon was a great guy. It was a pleasure to work with him as he made my job easy by doing his so well. I will miss his peppy attitude and his very respectful attitude toward his co-workers. We have lost a good soul here on Earth. I pray that God wraps his loving arms around Brandon's family's grieving hearts. God Speed Brandon, you will be dearly missed.*
