“ *My deepest sympathy goes out to all of Carolyn's family. Carolyn and I were neighbors in Atlanta, GA and we loved her so. We had many good times with her girls Christy and Bobbi and I felt in some small way I helped her with the girls by taking them places and experiencing new things. She loved doing her ceramics and I still have Christmas ornaments she made for me as gifts. She got me interested in ceramics. Carolyn was a kind and lovely person who's friendship I have always treasured. My only regret is that I was unable to see or speak with her in the last year. I know she is now reunited with her Bobbi and with the Lord! Rest in Peace dear old friend, I love you!*
