“ No one is ever prepared for the loss of our loved ones. In the time Carol was here; lives were touched & lots of beautiful memories were made. Carol & the entire family seemed like my family. I love them so much. I'm going to miss Carol until we meet again. We've been friends since both of us were 16 years old. To the rest of the family: you don't have to go through this difficult time alone. I'm here for you.
