“ *I just heard of Chris's passing. He, Randy and I were best friends through high school and then onto Snead, and we were able to play a part in his wedding. Unfortunately, I moved away and we drifted apart. I will always admire his character and treasure his friendship. He was a great Elvis impersonator and genuine good guy. He always said he wanted to be said of him that he did it his way- just like the Elvis/Sinatra song - and I guess he really did. Rest easy, my friend. You're the best.*
