“ My very first time I talked to Corey I was in radio he called and said this is Corey I said nice to chat with you. There was a few days later we had Special day for Special People and there was Corey he came up and started talking like he new me all his life. He attended many of our Southern Gospel Concerts he was always on the front row his eyes was a sparkle. He loves Jesus and Every Person he came in contact with. He never meet a stranger. He always asked us at every singing event will you sing I'll Fly Away. I always would save it for last he would get so excited to know we song it.And always dedicated it to him. Now he is in that Heavenly Choir singing very Healthy and made whole. Corey we love you and you are already being Missed But it's Not Goodbye It's See You Later my Friend.
