“ *David Brian Lenz is my nephew and i have so many wonderful memories of him when he was just a little guy. His laughter could make even the hardest heart smile. One of my favorite memories is when he and Jenny where 8 and they flew to Fort Worth to visit me for a week, and we just had a fun time, six flags and the movies and driving around in my little car. There was a song called only the lonely on the radio and we were alp singing and while Jenny and i sang only the lonely Brian sang only the balony. Although i haven't seen you in a long while Brian you have always been in my heart and I love you, Aunt Melanie*
