“ *Don brightened our lives with friendship and love that has lasted for many years. He will never be forgotten and we will miss him greatly but will be joined together again in heaven when God calls us home. Paul and I are thankful for the years we have known Don and the blessings he brought into our lives. May God's peace and comfort be with his family as they carry on without him.*

“ *Uncle Donald lived with us for a short while in McKinney before he joined the army. He brought so much life and fun to the house. Through the years he always had that same happy, encouraging personality. I wasn't around him much through the years, but I never saw him down. May you rest in peace until we all see you again. Please say Hi to Daddy for me. Love, Sissy.*

“ Caralyn,
please find comfort in 2Corinthians 1:3-4 "God and father of our Lord Jesus Christ, the Father of compassions and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble, with the comfort we ourselves receive from God.
