“ Even in the end you was worried about others feelings,that's the kind of man you was. I set the other nite and was flooded with memories,and a picture in my mind of your smile that was always there to greet me,I never knew when you were having a bad day because your smile hid it well.

You was such a beautiful soul and you was such a beacon of lite for so many people . Thank you Donnie for being that, for loving people the way you did and I'm so sorry I didn't say that too you,see you are still teaching us lessons of life like telling people that you love them or appreciate them because you know what Donnie I've said them words to alot of people this week so thank you. You fly high my dear friend and rest in peace until you see me again,you are gone from our everyday life's but I promise you will never be forgotten. Your friend, love you Donnie.....
