“ This is Donald’s “Ronald”....better known as Ramona.
Sweet, Sweet Donald.... finally gave it up!
And oh did
He love life!! He loved talking about past family ventures and things
to come.
He should be so ecstatic now... new body, no crippled hands and
feet, and he’s actually walking again, something he was always so
proud that he could do, after polio episode when he was 8. He’s
there in the most beautiful place , meeting up with so many friends
and family members that he has missed so very much.....tell
everyone I said hello, especially Miles, Edward and Bernell. Thanks
so much for being such a delightful, funloving friend, Donald. Love
you bunches!!💔💔💔🥹🥹
