Al served 2 years in the US Army. He worked as a auto mechanic for over 40 years and owned numerous shops throughout his life. He was a loving father, grandfather, brother and friend to all. Al loved collecting ball caps and was always seen with one on his head. His favorite hat was his "Dino" hat given to him by his special grandson Dino Patelis.

Al's granddaughter (Abigail) included him in her daily activities such as watching her at dance and cheer practice, also playing board games and taking short strolls around the neighborhood in the evening. She learned how to take care of a grandpa. She will never forget the short 3 years that she got to spend with him.

Special thanks to Friendship Haven Nursing Home employees, the Kindred Hospice team and Norman and Linda Burgess. They all helped him have a much happier and healthier life.
