“ Ernest "Teen" Johnson

“ I visited Ernest at his home all of last year, and the first part of this year. Ernest was a great person to know and visit with. I learned more about his life in the various places he worked: truck driver, wrecker services, and his egg hauling stories were to laugh at! Since I was new to the area [moved to Boaz in 2010] I got to know the back roads of Kilpatrick and new short cuts to make the drive faster.

I got to meet his Daughter and Son in Law at their home, along with the two grand-daughters. I met other family members too.

Blessed be that Ernest has moved on to a new place. Perhaps he is already tinkering with a "newer" car or fixing up one of the wrecker's he drove in Birmingham.
