“ *Diane and Patricia, my condolences to both of you. It has been many years since I saw Estelle but she was always in my thoughts and prayers. Growing up she always told me to do what was right for me, which may be wrong for someone else but right for me.*

*Take care

“ *My condolences to the family. Ms. Worley was truly a wonderful person. I was her CNA for four years and I would always go talk to her about whatever was going on. The CNAs and nurses on Magnolia hall will miss her dearly. The night before she passed, she told my coworker "I love you." I will always remember that.*
