“ *I miss her so much!! things have not been the same without her. My little Jaden misses her too. He hasnt been the same either. He wont talk about her much. He prays for her every night. He prays that god will let him see her in his dreams. Breaks my heart. They were so close. She did everything for him. i definitley dont know where Id be right now if it hadnt have been for her..*

“ Our prayers are with you and family. Regretfully, we can not come to AL. I have a wound in the ball of my foot that is slow healing because of diabetics. My Dr has restricted my walking and mobility. Faynell's photo is just as beautiful as she was a person; sweet sweet spirit. You did well and she was a blessing to be around. Thanks for the memories. With our LOVE, Tom (Waymon) and Glenda Hill
