

Herman Phillip "Phil" Harris

November 20, 1943 - November 22, 2020

Herman Phillip "Phil" Harris, 77, of Albertville, was surrounded by the love of his family when he was called home to his Lord and Savior on Sunday morning, November 22, 2020. Phil was a kind and generous soul and will always be remembered warmly by the many countless lives he touched along the way.

He dedicated his life to his Christian faith and to the examples set forth in the Holy Bible. Phil was a wonderful and caring family man, always first to volunteer a helping hand to those in need. A proud military veteran, he served his country bravely in the Air Force during the Vietnam War. Phil was a highly skilled handyman that could literally fix anything. He enjoyed a long and prosperous career working with the Fluor Corporation as a Site Superintendent and Electrical Engineer, where he made many lifelong friends. In retirement, he loved making plans and spending precious time with his children and grandchildren, as well as fishing, camping and fixing things in his beloved workshop. His family is so very grateful for his contributions to our lives and for the love and memories that we carry with us in his absence. His love is forever.

Mr. Harris is survived by his wife; Janie Harris, children; Phillip Harris, Amanda Gentry, Kerry Liles (Mandy), Chad Liles (Johnna), grandchildren; Conrad, Cooper, Anna Kate, Lucy, Molly, Karly, and Reed, and sister; Anne Palubicki. He is preceded in death by parents; Herman and Dorothy Harris,

siblings; Virginia Hubbard, Jeanette Steele, Betty Priez, and Leonard Harris.

“ Phil and I worked together on numerous projects over the years. We continued to stay in touch and I'm keeping his final text to me as we had Prayer together. May God be with the family for their lost and I truly have lost a great, humble friend. RIP MY BROTHER

“ *When we were new to the area Phil and Lendell came to visit, and saw us desperately trying to complete the work on the property to get our Business launched.*

Phil and Lendell as a Team just stepped in and took on the building and set-up of a Pump House and Phil jumped in and got the wiring for the generators and pumps done.

They worked tirelessly for weeks to help us. They didn't treat us as strangers, and they became dear friends and like family to us.

Their open hearted and caring support were why we made it in the beginning here. Their loving kindnesses through these past 2-1/2 years have made life richer and more blessed. We love them and their dear wives.

Phil is one of the kindest, most polite and considerate Christian men we have ever known. We ache at his leaving this world, but we rejoice that he IS a brother in Christ, and we will know him eternally on the other side.

When others in the area made it clear that we weren't their cup of Tea and weren't welcome, Phil and Lendell still stood as friends to us. We will always love them and we will always be grateful that the Lord blessed our lives with them.

Phil has truly been a gift in our lives from God.
