“ Dearest Kay, and family,
My heart aches for you, but I know Allen is in a restful beautiful heaven, and he is looking down on us (his crew) and watching us with our daily things, and our daily pain. I have known Allen since we were very young. We lived two doors apart on Kerth Avenue. I remember how quiet he was, but so respectful and always smiling. We both worked at the Washington Theatre in Evansville. I did attend the senior prom with Allen. We had a wonderful time. I believe Memories are what keep our hearts ticking when someone we know and care for leaves our life. I lost my husband Jim...after 59 years of marriage. I miss him more and more each day, but again, I know he he is holding our hearts in his golden hands. Blessings Kay.I am thrilled at the times we were able to be together on our visits to Evansville. Beautiful people, beautiful love, but most of all, Precious to all of us, their friends.
