“ I've known Jeff since we were in the 4th grade and it was only a few months ago he came by my house to see me. Jeff loved to make people laugh and he was very good at it too. He was a joy to be around. And his knowledge about automobiles was amazing he could tell you anything you wanted to know about an engine in any vehicle most say he was the best auto tech on sand mountain and he never hesitated to help out a friend. I love you my friend and you will be greatly missed RIP JEFFERY RIP
