“ *Jerry W Perkins was a wonderful person, and a great friend. I will personally miss being able to see and talk with Jerry a couple times each week, when I would see him working his customers on his route. We had some great times together at MCHS and when we worked together at Charlie's Cookies. Jerry will be missed by everyone that knew him.*

“ *Jerry Wayne was always the heart and laughter of the Perkins family. He always claimed he was the best looking too, I have to agree with him on that one. I never think of him without hearing his infectious laugh. I never watch an Alabama football game without thinking of him, he was a dedicated fan. I know he will be greatly missed by all who loved him.*

*God speed and I love you Uncle Jerry,
