“ Jessica was a very sweet lady. She worked for a facility that I worked in and I remember all the conversations we had. Whether it was small talk about the weather or conversations about plans for the weekend it was a nice break from my usual work to be able to stop and chit chat for a little bit. Jessica deserved more in life and she will be missed dearly. My condolences to her family. Rest in love Jessica. I pray that you're at peace and comfort ☐🕊
