“ *Aunt Judy is gone to heaven. All her pain and suffering is over. She was a very strong woman who welcomed just about anybody. I couldn't have asked for a better aunt. I will always cherish the memories of times I got to spend with her in this life. I understand why God took her. God likes biscuits and gravy too and nobody does it better than my Aunt Judy. Thank you God for blessing us with such a wonderful spirit. I hope you enjoy them biscuits and gravy as much as I did.*
