“ *I was trying to locate Karen as she was an old neighbor of mine when I was growing up in Fairview Park, Ohio. I used to babysit Matthew when he was very little and hang out with Karen. She played David Bowie for me and her brother Billy's 45 from the band he was in and bought me a bottle of champagne for prom. She was such a fun, lively person to be around and she popped into my head the other day. I proceeded to do some internet searching and am so sorry to find that she has passed away. My condolences to her family.*
