“ Dear Family of Miss Katherine, Betty and Bill Whitehead first introduced Miss Katherine to us when we came to Bethany Baptist as Sr. Adult Pastor. From there it has always been an uphill journey. She was living in Covenant Cove at that time, she would always want us to come at lunch time, (cause she knew we could go to Captain D's and eat fish) haha. She loved their fish!! After Bill passed away, Betty would go with us most of the times each month, (I think she liked that fish also)haha. Miss Katherine could remember so many things and about so many people from Sand Mountain area and Bethany Baptist. She had so many fond memories about her precious husband, Tom, we never visited her but she didn't talk about him. She missed him so much and all the things they did together, life would be so cherished today if more couples could experience that relationship. Jerry would always ask Miss Katherine if she would like to go by the apartment complex where she and Tom lived in Gardendale, that twinkle would come in her eyes, and it was always, "if we could I would love to". (she could always find the right apartment and tell us all about the inside, etc. (those were happy memories for her.)

After she moved over to The East Glen, we continued to visit her monthly, until in Nov. 2012, Jerry had a stroke. So sorry our visits had to be discontinued for several months. (We have only visited her a couple times since Nov., 2012.) We missed those times, those sweet smiles, twinkle in her eyes, and always the greeting "Bro Jerry and Margaret, I am so glad to see you", then we would hand her her little bag (most of the time chocolate), and it was like we had given her a million dollars!! Such a sweet and gracious lady, we shall miss her, the blessings of sending her cards, and most of all her love and prayers. God bless you, her family. Bro Jerry & Margaret
