Billy medley - June 07, 2018 at 11:10 PM

“ *I am his second oldest. Billy medley. I will miss my father and regret living so far away preventing from seeing him more often. I am grateful for this age of technology we live in that allowed a video call which allowed me to see him one last time and for him to see his youngest grandchild. I love you very much daddy and I know I will see you again someday.*
