“ *still can not believe you are not here. kim was a wonderful and caring person. peggy, patsy and myself had some great times together with a friendship that grew to 30 years. there thru the bad times and good. but like everything else, over the last couple of years, we didn't get to spend as much time together as we did in our earlier years. our boys, matt and zack even grew up together. my heart goes out to the family, especially gene, her dad. may God be with each of you during this time. For he, is the only one who knows why. kim is walking around up above with no health issues now. will always live forever in our hearts.*

*love you all,*
