BN

“ Linda was the kind of person that you instantly fell in love with the moment you met her. All of us inlaws have talked about our love for “grandma “. See, my grandparents had gone on to be with the Lord before Jeremy and I married, so after we wed I adopted his Grandmaw into my heart as my own. She treated me as just that. Her love for her family is something that is undeniable, as is our love for her. She will be dearly missed and forever remembered by all who knew her. I’m proud to have had the privilege of having her in my life. I selfishly wish for more time with her, but I know without doubt that she is rejoicing in Heaven and is feeling no more pain.

“ My mother was a wonderful woman. She was kind and took care of everyone around her. Her strength I'll remember most. She was always strong... mind, body and soul. Her earthly body has failed her but she has been fully restored in heaven. My heart is breaking but I have peace knowing her fight is over and she is with her heavenly father. Love you forever Momma 💕💕 Wendella
