“ My dearest friend! Today, I called you to see if you wanted to grab some lunch and was shocked to hear the news. You have truly been a lifelong friend. We have shared so many memories together, raised our kids, you were helping me go through life with grandkids. I knew you would be beside yourself to find out that Emma drove us to Huntsville last weekend and she did a fantastic job. Sweet girl, my heart breaks, but I know you are now at rest and peace. The hardships you endured on this earth were far beyond what most know about so a part of me is rejoicing knowing you are finally with your sweet Mama. I'll always love you, big sister and give Mama a big ole hug from me. Love you always!

“ *RIP Lisa. I'm Corey's cousin. I loved Lisa knew her well but time pulled us apart. She was so kind. When I was a a kid she used to walk with me to piggly wiggly lol. In Guntersville and help us carry groceries back to my grandma pegs. I will always remember her smile and laugh. Love you always Lisa. Tim McC*
