“ I remember as if it was yesterday when I started to Reed meeting Lisa and Jimmy oh to me so funny with 3 Cornutt guys close in age for the girls to pick over but Lisa had her eyes on just one of the three that was Jimmy but they were ment to be. I got to witness you guys getting married how pur friendship grew and you felt like family. It was so much fun going places together whether on the Red Church bus, halloween fun and going rafting together. I treasure the time that you both along with David and Kayla (which she could never get her nose out book reading all the time except to eat) it so much fun that week. Jimmy you were loved deeply by Lisa and you both loved your children so much but most of all you planned the seed in both your children's lives and it shows today. Lisa loved talking about them so much. I can only imagine how she loved her grands I know her grands can always look at beautiful face in a picture and I know they all will always be told stories about her how much she loved them and I know she wasn't physically able last couple of yrs do a lot but I bet you those grands knew how much she loved them. Jimmy my heart breaks for you all but the kids will have go back home pick up on work and taking care of their family, there will be good days and a lot of bad times of the loneliness it will be when you go to work come home to a empty house but our Lord will be there when no one else will be. You were a wonderful caregiver all these years to Lusa your love always showed for her. Please stay busy now take the time to visit all your grands maybe go visit Andrew when your new grandbaby is born man 7 granddaughters then one precious grandson to spoil too. I love you all very much you are close to my heart in my prayers always Love y'all ❤️❤️🙏🙏
