“ Prance Family, sending hugs, love, prayers of comfort to Ms. Lynda's pride and joy, her family. I'll never think of her without seeing her smiling face in my mind. It was one that could brighten the darkest of days. She and David were great neighbors to us growing up and have been close friends with the Grimes family for many years! We will miss her greatly as I know each of you will too. May her smile, her love of life and gratitude of family live on in each of you for generations to come! Blessings to each of you!\n
