“ *Mark will be missed. I served in security with Mark. Always enjoyed taking with him about our military experiences in the NAVY. Mark always had a smile or laugh at the ready to make your day! Fair winds brother!*

“ *I only spoke with Mark a few times, but we never knew each other's names. He greeted me with a smile and "good morning" every time I saw him when I entered the Y-12 site. He noticed my Navy lanyard one day and told me he served for 22 years and was a Navy Chief. As a former Chief myself, it made me happy that one of my brothers from the mess was there protecting the site.*

Fair winds and following seas my brother. Let those of us who walked in your footsteps carry the flame of liberty going forward. Your work is done. We have the watch now. Rest in peace shipmate.

“ I knew Mark for the entirety of his time at Y-12 and worked with him as a Security Police Officer. He was without a doubt one the kindest people I've ever had the pleasure of working with. I will miss talking SEC football with him. Praying for his family.

“ To the Pankey Family and Friends, I give you my condolences and prays. I am lost for words after hearing such sad news. Mark was my Navy Brother. We shared good times in the Navy. Mark was able to take the bad times and make good of it. We also spent time riding our Harleys at Thunder Beach in Florida. I still have my favorite picture of Mark while performing Navy Training. The picture changes my tears to laughter. Rest in Peace Brother. I will never forget you. Love you Mark.

“ *Had the chance to meet Pankey through work and then happened to run into him on a Carnival Cruise this year! We spent a few days watching football on the big screens and just chatting. He was a great guy and a blast to run into on a cruise ship. Going to miss his smiling face and loud greetings at work.*

“ *I am so sorry to hear about the loss of Mark. He was always so kind to me at work and treated me with so much respect. He was also so kind to invite me to events held by one of his groups that he was involved with - The Defenders Motorcycle Club. Knowing that my grandpa was in law enforcement and that I was an avid motorcyclist, he invited me to ride with his group. He was very passionate about serving active members of the military, veterans, and emergency services personnel. He will be very much missed. A shining light has gone out of this world. But, I know his light continues in the hearts and souls of his family and friends!*

“ *It was always a pleasure seeing Mark. It seems he never met a stranger and always quick to start a conversation. He always had a smile on his face and quick to lend a hand. I had the honor of knowing him for over 15 years while we were at Y-12. He will be truly missed here in Oak Ridge, especially in the Protective Force at Y-12. Prayers and condolences to your family.*

*God Bless.
