“ I remember Mommy would always wait with us at the door each morning for the school bus and would be waiting again at the door as we returned home in the afternoon. She always called us “My Love”. So many many memories. She did so much for all of us. I miss her sweet angel face and beautiful blue eyes and smile. Love her busloads.

*I remember how she always seemed so excited to see me and asked about how I was. I enjoy the stories mom sometimes shared of their childhood and how they were such close friends. I wish I could be there during this hard time. I celebrate her life and the kindness she showed to me. Sending love to my cousins, mom, aunts, and uncles. -Michele*
