“*Michael, My Buddy, was the son any parent would have been proud to call their own. People would ask me "are you Michael's (or Swinford's, Swinny's, etc.) Mom?" I never hesitated to say YES. He was my Baby Boy, My Buddy, My Confidant, My Friend. This Mom's heart is broken, but, as his pastor said "if anyone made it to Heaven, Michael did". He loved everyone he knew and would literally help you in anyway he could. Rest in Peace, my sweet Baby. Mom will love you, FOREVER AND BEYOND.*
