“ *Ms. Jackson (I called her M&M) was one of the sweetest, nicest persons. I delivered Meals on Wheels to her for several years both in Douglas to her home, and in Boaz She handled her handicap (going blind) with such ease, never really complaining. She showed me how to do dishes, and take care of yourself when you are all of sudden in the wrong place. She never complained. I have also got to say - she had the most beautiful complexion - certainly not the skin of an "old" lady. She always felt "well loved" by her son, her daughter and her pride and joy (grandson)*

“ *I wish with all my heart that I could come tomorrow to Aunt Mutts services. She never felt to me like a by marriage aunt but one of my true aunts. She was always gracious to our family and we loved her dearly.*
