“ *Aunt Oma Lou, you will be sadly missed.....I will miss our phone chats, even though they were few and far between. I want the family to know that you were always so special to me and then to Martin and our boys. Mom sends her love to you and all the kids....Rest In Peace....you will be missed!*

“ *Larry, Debbie, Tim and families:*

So very sorry on your Mom's passing. Lots of memories came flooding back. I am so glad Aunt Oma Lou and Mom had a couple of wonderful conversations in the last few weeks. Mom is comforted that she knew your Mom was at peace with the world and herself and God.

Please remember the best, don't dwell on the worst, and know you are being thought of with love and remembered in prayers.

Love to you all,

Denise (Denny) Rounds Robinett
