My dear Brianna, I am so sorry for this very sad time that has come. Please know I am thinking of you and remembering how much fun we had when you were in my class. Your mother was a great and supportive parent when you were in my class.

“ Please know that Tommy and I send our thoughts and prayers to Mickey, Jessica, Breanna and all the family. My memories of Pam go back to the year of 2000. She and the girls flew over to Belgium to be with Mickey and I flew over to Belgium to be with Tommy. BP(of different states) had sent each of them to help start up new units over there. Pam and I met each other at the O'Hare airport in Chicago and right away I knew we were all going to have a great time over there. We spent 3 weeks over there and then all of us left Belgium together. We left for TX and they left for Alabama. Tom and I visited them in Hartselle once after we got back. Wish we could have lived closer so we could have all spent more time together. May God give all of you comfort and strength these next few days and all the days ahead as only he can. Rest in peace sweet Pam.
