“ *Pam is my second cousin! I live in Michigan and she in Alabama. I wish I could have seen her everyday! Pam is with God and is whole. Well cousin, rest well, until we meet again. Praying for family, especially Adam and Aunt Georgia!* 😊💕🙏🙏

“ *I truly enjoyed working closely with Pam at the VA medical center with the Home Based Primary Care program. She had the best sense of humor and used this often to build rapport with her veterans. She put her all into her work and the veterans she served and they absolutely loved her. Pam always greeted you with a smile and a hug! She will be sorely missed. I will be praying for all affected by her passing with special prayers for her beloved son Adam who I know she adored and spoke of often!*

“ Pam was such a loving, generous and caring person! Whenever we had a medical question, Pam was the person we called. She always gave generously of her time and skill. I miss her already even though we haven't seen each other in several years. Just knowing I can no longer pick up the phone and talk to her makes me very sad. We love you Pam and will see you again when we meet in heaven.

“ Pam started out as my “boss” when I first started taking care of Georgia a year ago. As she started working more from home, she quickly became my friend. Unfortunately, she then became my patient. I am so very blessed that the Rosson family came into my life. They always treated me as part of the family. I'll miss you Pam. Give Elmo a hug from all of us. I promise we will take care of Georgia.

Love you,
Alicia~ aka “that girl”.

“ A decade of car rides with Pam brought us close together with few secrets. She was one of my favorite people to spend time with and I will miss her good humor, her camaraderie, and her devotion to her veterans.
