“ Phillip was a great friend to David and I over the years since meeting him and Sheila years ago in Memphis. He was always fun to be around, especially when dining out with them. Always a smile and a hug whenever we met up with them. He worked all the time and loved what he did, so getting a little time away was certainly a special time. Will are going to miss him, but knowing that Phillip is completely healed gives us comfort and knowing we will see him again soon! We love you Sheila and will continue to pray for you and your family in the days ahead.
