Sabrina, Its been over a year now and there isn't a day that goes by that I don't think of you. I still unable to watch the DVD with your pictures on it, even though I look at pictures of you everyday. I wish so badly that I had talk to you that weekend. I try not to think about what I should of done or said that I didn't do, because it hurts me so bad. I am so sorry that I wasn't there when you needed me the most. I love you baby and miss you so much.

You have the most beautiful granddaughter ever. Emily is a great mom, you would be so proud of her you were right about Teddy's Brandy. Please forgive me baby for not been there when you needed me. I love you always. Mom

“ *There are so many memories I have with Sabrina. I don't know where to start. The one that sticks out most is when I lost my daughter, her and Cherry went out of their way to help me get through what will always be the most difficult time in my life. Her beautiful soul and sweet smile and of course her ability to make you laugh is what I hold dear in my heart. It breaks my heart that we weren't as close these last few years as we was in school and out of school. I loved her and will miss her very much. Mike, Darlene, Mark, Keith, Teddy & her sweet babies Emily, Anna, Mattie, & Michael love you all and my thoughts and prayers are with y'all everyday. Bree will live on in your memories and hearts.*

When baby had her hair shaved and hid under the couch because Sabrina laughed at her. We literally had to lay in floor and apologize to her and play with her until she came out.

"but daddy I love him" as I kept trying to tell her to hush...she was getting us in more trouble...lol

The dress that had to have straps sewed onto it so she could wear to the dance with Paul. She looked do pretty and happy.

When we got into trouble for going over to a boys house and she got a spanking, and kept laughing and acting like it didn't hurt because she was too stubborn to just say I'm sorry dad, I won't do it again or fake it & cry and act like it hurt, i had to sit there and watch and somehow I got grounded at her house.

The best tasting roast ever....and the green beans I had to eat....I was so picky and did not want them, but I ate them and now I like green beans. Who would have thought

Care bears friend song, lol

She always had such a beautiful smile, with her lips always done perfect, long fingers and long nail beds perfectly painted, had to have socks, lots of laughter, always trying to make me smile when I was upset.

Dreamsicle icee with cream

Watching & playing baseball and softball behind sundown.

Hanging out at aunt Terri and Christy.

How excited I was to meet our precious Emily. She looked just like a doll. Beautiful and was always so smart like her mom.

Always more grown up and at two her favorite place to eat was Applebee's with her mom & me :)

More to come.....
