“ Sarah, was the sweetest lady. My friend the first day I met her , she was transferred from the Boaz Pilgrims to Guntersville Pilgrims. We invited her to come sit with us. She had a wonderful sense of humor. Good Christian lady she loved her grandson very much, she looked forward to spending time with him and taking to church with her. Her granddaughters she loved them all so much. Her son she love all of y'all so much. My last day with Sarah , was Friday . After our last break I told Sarah have a good weekend , i love ya. She was in her way out she said, you to and I love you. She turned back at me and smiled. I will cherish our last day together forever. R.I.P. my friend . My prayers to each and everyone of her family. May God give y'all strength and comfort. Prayers , Forever friend Judy B. Dela Cruz

“ Sweet lady will be missed. She always had a "good morning" and a smile to start us on our work day. I would ask her how she has been and she would say good. After her son passed I would ask her and she would say, getting by, but more importantly, how are you doing, you ok. Her asking me because I had lost my mom a few months before. She putting herself aside for you. I used to sneak off sometimes and talk to her. I am glad I got to sneak off and talked to her last week. I had her laughing and her telling me I am crazy lol I will miss her, I wish now I would have sneaked off more. God always picks the best flowers for his beautiful garden, He did get a good one!! Now she gets to be with the ones that went before her, what a glorious day!
