“ I've known the Powell's since Don and I went to Sand Mountain Christian in 1st and 2nd grades. She and my Mom were officers in the SMCS PTO and made a pretty good team together. Even after we had moved away we were able to keep in touch for the most part. What I remember most about Shirley was how handy she was with a needle and thread. The best illustration I can give was my sister's wedding in 1988. She came to see Mom before time to go to the church. My sister was lamenting about how the seamstress did not stitch the sleeves on her dress correctly. Well, Shirley took a look and told her to give her a half hour and it'll be fixed and lo and behold she had the sleeves stitched right and she was one happy camper. To Jan, Don, Brad, and J.D. I'll say that having lost my Dad last year, it's going to be rough. I've been there and we know what you are going through.
