“ *So sorry to hear about Dr B. He always took interest in and wonderful care of his patients and he was always happy and kind when I would go in to call on him. I would still think of him very often and kept up with him through family and friends. My thoughts and prayers go out to his family. R Crosson, SMEC Albertville, AL* ”

What an honor to have known this lovely man. I'll never forget his kindness to me when I was a brand new NP and with a million questions and a ton of anxiety. I will miss his good nature and his expertise. Praying for comfort for his family today.
