“ This right here was a big role in my life. As weird as this may sound, he was like my soulmate. He knew me inside and out and as I did him. He had true love for his family and especially his girls. Watch over me and momma and them babies. Fear no one but God himself, for he is the alpha, omega, beginning and the end. I truly believe in judgement day and oh when it comes, my brother you will see. Meet you and pawpaw at the gates. With all my love, sissah.

*To my son: you were more like the sun, we don't know what to do without you, but we must carry on. Life will never be the same without my last born. You carried a huge part of my heart with you on that day, the day you got your wings. Watch over our little family, especially Gracie and Emma. All my love, Momma;*
