“ Steve and I went to Conway Springs, Kansas Grade school for either two or three years (first thru third grade). Steve and his family then moved to Milan, Kansas, where he went thru High School. We kept in touch throughout our school years and visited many times in the summers. His mother and Father, Dorothy and Frank were great people. I visited them one afternoon a few months before Dorothy's death. We had a great time discussing what troubles Steve and I got into as kids.

Both of us enrolled at Pittsburg State University in the Fall of 1959. Steve played football his freshman year and I played basketball. Steve left school after his freshman year and entered the Air Force, I stayed and graduated in 1964, then I too, entered the Air Force. I lost track of Steve for many years and we found each other sometime in the '70s. He was working for a blood bank or something in that field. Years later, I learned from his sister Marilyn, that he had moved to Alabama and had heart problems. I had his phone number at one time, but lost it.

We were buddies. It grieves me very much to learn of his death. May his Soul Rest in Peace. My condolences to his wife, children and grand children.
