“ *I met Steven through his long time friend, my husband Chess Collins & I know how much they meant to each other. I was thankful to get to know & love him as well. I am sorry that I only found out about his passing yesterday or I would have been there for him & his family as he was for me when I lost Chess. It is always so hard to lose someone so young, but I do take comfort in knowing that they are together again. May God bless all of Steven's family & friends that loved him dearly.*
