“ *I wasnt ready to see you go but I know you are so much better than you was here on this earth. I wish so I had time to do over again and do so much better as a daughter to my one and only moma! I know I cant and thanks what hurts the most !*

*I wish I had listen to you better and took to heart the things you told me one day would be no more ! I love you moma and I miss you so much . It's so hard to believe you are gone forever from this world ! Your last verbal words to me was you just wanted to make sure you ask for forgiveness so u could go to heaven and you wanted your loved ones to ask for forgiveness so u could see them again one day! I know you are with Jesus and I know you are rejoicing with your mother and daddy too ! I love u and how I wish I had told you more and showed u more!*

*Your daughter Jessica*
