“ Joyce, Randale, Scotty, and Ronald,
I'm so sorry that I was not able to come to the services for Troy. I think that you all know how I feel about him. The majority of my career was spent on his shift. I was shocked to hear what happened. I came to know all of you during the 21 years we worked together.
Please know that all of you and your extended families are in my prayers. Please let me know if there is anything I can do for you. If I'm able, I'll give it my best. "Trudy" was like family to me. May God bless, and rest, his soul!!!

“ Troy and Rosie came to my Aunt Barbara Gaskin's house to visit while she was sick, when he got there and saw that my sister Susie and I were there , he wouldn't have it no other way than to run back home and get his little instrument and us sing together. We had a great time during their visit and I will always remember it. I actually have a little video of it on my phone. To all of my Collins family, I love you all more than words could ever say. If I can ever do anything for you guys please let me know.
